TRUSTEES' MEETING

BOARD PROTESTS AGAINST INADEQUATE SERVICE OF PACIFIC ELECTRIC RAILWAY

The Board assembled at 8 o'clock, October 16, 1919. There were present Trustees Muhleman, Shaw, Jackson, Woodberry. Absent, Trustee Henry. The minutes of the regular meeting of October 9, 1919, were read and approved.

A large number of citizens, principally residents of Riverdale Drive, and property owners in that vicinity, were present and their purpose was made known by Mr. Shank who filed a protest with the Board signed(as he stated) by over one hundred persons, asking that the permit granted by the Board at its last regular meeting to Dr. Marie Magill-Corby for the establishment of a convalescent home at 525 South Central avenue, be revoked. Mr. Shank addressed the Board in regard to the matter, as did also Messrs. Neil, Shattuck, Yost, and others. Mrs. Ella W. Richardson, Dr. Magill-Corby and Mr. Barstow, also addressed the Board in opposition to the plea of the petitioners. Trustee Shaw presented the following Resolution which was, on his motion, seconded by Trustee Woodberry, adopted.

WHEREAS, This Board did on the 9th day of October, 1919, grant a permit to Dr. Marie McGill-Corby for the maintenance of a convalescent home at 525 South Central avenue, in this city, and the Board on further consideration of the matter is of the opinion that the place above mentioned is not a suitable place for the said institution. Now, therefore, be it

RESOLVED, That said permit is hereby revoked.

A communication was read from the Railroad Commission of the State of California giving notice that the case before the Commissioner in regard to the matter of the practice of electric utilities as to extensions for service, has been reset for hearing November 17, 1919, in the Court Room of the Commission at San

GIRLS TAKE AUTO COURSE

Arthur R. Oliver, head instructor in the department of mechanical arts of Glendale Union High, reports that he has two young lady students now enrolled for the auto course. Their names are: Josephine Laughlin and Louise Stebbings. They were determined to take up the work and learn the mechanism of an automobile thoroughly and were not at all deterred by an order to get into overalls if they really wanted to work in the department. They promptly equipped themselves with workmen's togs. Mr. Oliver thinks if any considerable number of women want to take this auto course it would be nice for them to form a special class.

BOY TRUCK DRIVER FINED

Judge Harry Miller on the 14th imposed a fine of $9 on a Pasadena boy brought before him by the City Marshal of Burbank charged with violating traffic laws by driving a truck without a chauffeur's license. He had an operator's license, but was under eighteen years of age and was therefore not eligible to a license for driving a truck. The judge in imposing the fine also took into account the fact that the name plate of his auto was missing and that when arrested he was "hogging" the road with a large load of hay and preventing others from passing him, which is in violation of law.

SERVICE MEN MEET

DECIDE TO REORGANIZE LOCAL ORGANIZATION INTO POST OF AMERICAN LEGION

A meeting of returned service men called by the local League of American Defenders was held Thursday evening in the room formerly used as the workroom of the Glendale Red Cross Chapter above the Bank of Glendale. About fifty men responded to the invitation and entered into the discussions with enthusiasm. James McBryde, Commander of the American Defenders, presided. The chief speaker was H. H. Harris, Secretary of the Los Angeles Post of the American Legion, who explained fully the workings of the organization and its objects. After considerable discussion a decision was reached to dissolve the organization of the League of American Defenders and to proceed with the formation of a post of the American Legion, also to transfer to the new post all funds, papers and records belonging to the League of American Defenders to its

NEW DEBATING LEAGUE

GLENDALE HIGH JOINS ATHLETIC SECTION CALIFORNIA INTERSTATE FEDERATION

W. D. Root, at the head of the debating department of Glendale Union High, and Paul Hutchinson, business manager for debating, last Saturday attended a conference in Los Angeles at which seven schools were represented. Some of them, like Glendale High, had belonged to the Southwestern, others to the State League, organized by the State University, and still others to the Southern California League. Because of the war and the influenza epidemic which closed so many schools the Southwestern and State Leagues fell into a state of "innocuous desuetude" and the conference decided not to revive them. As a substitute proposition the schools harkened to a proposal on the part of the Athletic Section of the Central California Interstate Federation to form a debating league of the schools which are now competing in athletics. This new league will include South Pasadena, Alhambra, Monrovia, Covina, Glendale, Franklin and Citrus Union High Schools. With this fresh start of schools already acquainted through other contests, it is believed the league will be able to do big things.

Mr. Root was asked to act as league manager to the extent of carrying on the necessary correspondence and arranging for judges, and consented to do so although it will considerably increase his work. The first debate will take place December 5th and Glendale will go to Covina while Alhambra debaters will come here. The subject has not yet been selected.

The debating department has lost Philip Wernette, who is in the Southern Section of the University of California this year, and Frank Balthis, who is now in the employ of the Santa Fe Railroad. It has, however, a number of students who gave a very good account of themselves last year, the students in this group including: Jack Jenkins, John Worley, Guy Bennett, Paul Hutchinson, and David Johnston, who was out of school and in Arizona last year but has now returned and taken up the work.

ENTERTAINS SURGICAL NURSES

Changes which have been made in the conduct of the Thornycroft Hospital, whereby it will become more of a rest home for recuperating invalids and elderly people, have released the corps of nurses formerly employed in the surgical department, which has been dispensed with. On Thursday, Mrs. Pearl Tyler, of 115 East Elk avenue, entertained these nurses at a four-course mid-day luncheon. Covers were laid for nine and the room in which the repast was enjoyed was decorated with ferns and white roses. Present were: Miss Laura Hunt, formerly head surgical nurse at Thornycroft; Miss Hulda Hanson, Miss Bessie Moore, Miss Laura Johnston, Mrs. Gallup, Mrs. Nettie Cornwell and Miss Margaret Tshenner, now surgical nurse for Dr. T. C. Young. The guests remained for a social afternoon.

COMMUNITY SING

LARGE CHORUS PRACTICES SONGS FOR RECEPTION OF BELGIAN ROYALTY

The largest attendance seen at the Community Sing since it reopened this fall, distinguished the meeting of Thursday night and brought encouragement to the leader and to the promotion committee. The pep of the director and the enthusiasm of the chorus made it a most successful evening, in the course of which an earnest appeal was made to the audience to help the Sing by promotion work, among friends and thus fill the hall. The financial support of the enterprise is now practically assured and the effort should be to carry out the wish of the government and secure as large a participation as possible in this movement. Its aim is to unify the people and make them resistant to the disintegrating effects of the insidious propaganda now being spread by alien radicals to cause unrest in this country, destroy our national and community spirit and undermine confidence in our government. The statement was made that right in Los Angeles literature is being distributed by radical agents

CAPTURE OF PETROGRAD

SAID TO HAVE BEEN TAKEN BY GENERAL YUDENITCH LEADING THE NORTHWESTERN ARMY

(Special Service to Glendale Evening News)

LONDON, Oct. 17.—A Helsingfors dispatch received today announced that General Yudenitch leading the Russian northwestern army had captured Petrograd. Simultaneously another dispatch said that the British fleet had captured Kronstadt, the great Russian naval base after an intense bombardment which lasted all day yesterday.

The dispatch said that the Russians in Helsingfors were celebrating the fall of Petrograd. However, this report had no official confirmation.

General Yudenitch's forces captured Gatchina Tuesday night. Gatchina is thirty miles from Petrograd and is considered the key to the city. It is reliably reported from Reval, Copenhagen and Stockholm that Yudenitch occupied Kraineye Selo and Tsarkoe Selo, fourteen miles from Petrograd.

PRESIDENT NOT SO WELL

IS TO BE EXAMINED BY SPECIALISTS WHO MAY DECREE AN OPERATION FOR GLANDULAR TROUBLE

(Special Service to Glendale Evening News)

WASHINGTON, Oct. 17.—Admiral Grayson issued the following statement today: "The president passed a comfortable night and is feeling well today. His temperature, pulse and respiration are normal. The prolactic condition is not as satisfactory as yesterday and is checking the general improvement of the past two weeks."

Admiral Grayson said that Dr. Hugh Young of John Hopkins University, Baltimore, had been called in consultation. Young is a very prominent specialist in diseases of the prostate gland. Dr. H. A. Fowler of Washington, who has studied under Dr. Young, was attending the president today.

Admiral Grayson refused to express an opinion on the seriousness of the glandular trouble and said it would not be possible to tell whether an operation is necessary until Dr. Young and others complete an examination.

COUNTRY FAIR

LA RAMADA PROVIDES BEAUTIFUL SETTING FOR THE GAY FESTIVAL

La Ramada is attractive by day but at night it has a special elusive charm, born of the shadows of its big trees, the beauty of its pergolas, its quaint, rustic buildings. When adorned with a necklace of electric lights, with a fine band throbbing waltzes that set every pulse beating a little faster, it becomes a scene that invites a second visit. The committee of arrangements for the "Country Fair" now in progress there as a benefit for the Holy Family Catholic Church were shrewd in selecting the place for their enterprise and their foresight in this regard will bring them many dollars.

The booths are all pretty and the friendly, social atmosphere that invests each one makes every buyer a cheerful contributor to the cause. At the cooked food booth for instance where there were fancy cakes with most alluring frosting and beautiful jars of home-canned fruit, pampas grass and palms had been artistically combined for purposes of decoration with a touch of orange here and there. At that booth some wonderfully pretty rag rugs made in Glendale were on sale.

A little further along was a splendidly stocked toy booth with a big paddle wheel. Some of the toys and games and books would go as prizes but probably the greater part would be bought outright; for Christmas is coming. Mr. Brennan and congenial men associates were doing a thriving business there.

Still further along on the main street of the fair were the fancy work and apron booths. Places of honor here were given to two dolls, a baby doll and little girl doll with long, black curls, given by Lillian and Dorothy Gish, the movie stars, and dressed by their own fair hands. Chances were being sold on these dolls which will surely make two little girls happy. In the center of this booth was a gay and wonderful-

TRUSTEES REVOKE PERMIT

The monotony of routine proceedings at the meeting of the Board of City Trustees Thursday evening was varied by the presentation by Edmond Shank of a petition signed by one hundred or more residents of this city who live on Riverdale Drive or in the neighborhood of Riverdale and Central avenue. Mrs. Richardson, Dr. Magill-Corby and Mr. Barstow appeared before the Board to protest against the petition. After giving consideration to the matter Trustee Shaw offered a resolution which was seconded by Trustee Woodberry revoking the permit granted by the Board October 9th for the establishment of a Convalescent Home in the property referred to at the corner of Central avenue and Riverdale Drive.

Boring, Don Danner, Masari Hori, Peter Hall, Paul Frubling, Allison Kinne, Robert Linsey, Raymond Le Cerq, Leon Myers, Oliver Rambo, Glen Roberts, Walter Sullivan, Robert Searle, Marshall Wilson.

SOLDIER'S FAREWELL

DINNER HONORING PRIVATE HENRY L. ANDERSON SOON TO BE SENT TO SIBERIA

Mr. and Mrs. Howard L. Anderson, who are occupying the home of Rev. and Mrs. C. R. Norton at 801 East Wilson avenue during their absence in the east, were host and hostess at a mid-day dinner given Sunday in honor of Private Henry L. Anderson (here on a furlough from Angel Island), and J. A. Morris, who recently returned to Glendale after an absence of five years. The function was also a farewell party for Private Anderson, who expects to be sent to Siberia in a short time. Those present were: Mr. and Mrs. F. W. Anderson, Doty, William and Henry Anderson, Misses Hazel, Helen and Winnie Anderson and J. A. Morris of Glendale, and Sam G. Wooley of Los Angeles. Private Anderson came south from San Francisco Monday evening.

MORE BRIDGE MONEY

SUPERVISOR JONATHAN S. DODGE REPORTS ADDITIONAL APPROPRIATION BY COUNTY

A letter has been received from Jonathan S. Dodge, Chairman of the Board of County Supervisors and the representative of this district, conveying information which will be good news to every citizen of Glendale. The letter follows:

Los Angeles, Calif.,
October 16, 1919.

Mr. Thomas W. Watson,
Glendale, California.

My Dear Watson:—

At a meeting of the Board yesterday, an additional appropriation of $9,863.00 was made from the Bridge Fund, and the contract awarded to the Ross Construction Company, for the bridges across the Verdugo Wash.

I think this will take care of all your troubles, and I understand from Captain Smith that he is ready to take care of the flood control proposition in connection with the building of the bridge.

Sincerely,
(Signed)
JONATHAN S. DODGE,
Chairman.

The amount originally provided for this bridge was $20,000, but owing to increased cost of labor and materials the lowest responsible bid was $29,863. The Board of Supervisors has therefore made an additional appropriation of $9,863 to cover the difference.

It will be observed from the letter that the contract has been let and work will doubtless begin in the near future. This bridge will be for horse and automobile traffic and for pedestrians. The P. E. Railroad is now engaged in building a temporary bridge for use while its permanent bridge across the Wash at Brand is being constructed.

Captain Smith, mentioned in the letter, is the assistant engineer of county flood control work. The new channel into which it is proposed to divert the waters of Verdugo Wash at Brand boulevard has been excavated from Brand east and is now ready for the protective work. Workmen are now employed in excavating the channel between Brand and Central.

BIG DISAPPOINTMENT

COMMITTEE LEADING BELGIAN ROYALTY IGNORES GLENDALE IN TRANSIT THROUGH CITY

Glendale suffered a terrible disappointment Friday when practically every man, woman and child in the city came out to pay homage to King Albert and Queen Elizabeth, of Belgium, who passed through this city en route to Pasadena, but who was railroaded through it by the committee in charge which completely ignored all arrangements made by Glendale to do honor to the King and Queen. Instead of taking the royal party by way of Broadway where not less than five thousand men, women and children assembled and where a platform had been erected from which to greet the King and present a bouquet of choice flowers to the Queen, it was led along Colorado and no one saw the Belgian rulers save the official Glendale reception committee which went to Los Feliz Road to meet the party and which was thrust aside unceremoniously by the outriders in the van. The King undoubtedly knew nothing about the matter, but somebody blundered.

The crowd which packed Broadway from Maryland to Jackson streets was a throng gay with American flags and with the national emblems of the Belgians, a hilarious crowd, and yet a crowd reverent at heart, which testified to the universal interest in the King and Queen of Belgium, the little country which served as the check-dam to restrain the flood of Germany's military ambition, the little country which saved Europe at almost the complete sacrifice of her own life.

About 11 o'clock children from the grammar schools north of Broadway, chiefly from the Intermediate, assembled near the grand stand erected at the corner of Louise and Broadway, where a throng of adults was already assembled and shortly thereafter High School students led by a color bearer carrying the Belgian colors approached from the south, and other schools lined up at their appointed stations. The platform, though hastily constructed, was beautiful in its girdle of bunting, of red, black and yellow, emphasized by the flags in which the same hues were repeated, with the friendly Stars and Stripes floating near.

GLENDALE, CALIFORNIA, FRIDAY, OCTOBER 17, 1919

BUYS A MANSE

FEARING HE WILL BE OUSTED REV. O. P. RIDER PURCHASES AT 208 EAST ACACIA

Mrs. O. P. Rider, wife of the pastor of the Tropico Presbyterian Church, is now well enough to be up and about the house after being confined to her bed by illness for two or three weeks. Her husband left Thursday afternoon by train for San Francisco where he will attend the Presbyterian Synod. He expects to return Tuesday. His pulpit will be occupied Sunday morning by Rev. Birchley of Alhambra and in the evening young men from Occidental College will have charge of the service.

The most important news in connection with the Riders is perhaps the purchase by them of the home which they have been leasing for the past five years at 208 East Acacia avenue. On account of the growing scarcity of houses they began to fear they would be ousted and be shelterless, so they decided to make their tenancy permanent by becoming their own landlord.

Advertise it, or advertise for it in the Evening News.

WITHOUT A LEADER

Just as we go to press we learn that the King's party did not come through Glendale today by way of Broadway on account of not having a leader to direct them over the prescribed course. The Los Angeles motorcycle officers leading the party kept on the authorized boulevard and when in front of the Elk's building they were notified by by-standers that they should go two blocks north. The suggestion was heeded to the extent of one block, the party coming north to Harvard, but failed to reach Broadway. The party was more than two hours late and were driving at a speed of about twenty-five miles per hour. When met at the Glendale line by the reception committee, drove on without halting, ordering the Glendale crowd to get out of the traffic.

The member of the Los Angeles program committee should have had authority to lead the parade or else he should never have been given authority to arrange an official parade course with Glendale. Common business sense would suggest that to anybody.

Personals

Misses Rosalie Blume and Amy Peterson, of San Francisco, en route for New York, spent Wednesday night with Mrs. H. L. Brown of 1037 San Rafael Ave.

Bert Townsend of Cypress avenue and his brother George have been called to Nebraska by the sudden dealth by paralysis of their father, W. L. Townsend, who visited in Glendale for some time and made quite a circle of friends here. He passed away the latter part of last week.

The Glendale-Montrose Railway Company has a crew of seven carpenters and a few laborers building a car barn at Montrose. The foundation has just been completed and required eighty barrels of cement. Its dimensions are thirty by ninety feet and it will accommodate three cars. Two months will probably be required to finish it.

The trimming of city trees in city parkways which is now being done by the city forester, is serving two purposes this year. Limbs which overhang the sidewalk to the annoyance of passers-by are being removed and the brush will be used in the flood control work now going on in the wash under the superintendence of Mr. Daley.

Mrs. H. E. Bartlett, her sisters, Miss Patrick of Santa Barbara who is her house guest and Mrs. Lida Border of this city, were the dinner guests Thursday evening of Mr. and Mrs. Levant B. Batcheler at their hotel in Los Angeles. They are from Jamestown, New York, and are so delighted with Southern California that they are considering making a permanent home here.

William Anderson, son of Mr. and Mrs. F. W. Anderson of this city, is now stationed at the Submarine Base at Fort McArthur. He joined the navy about two months ago and is a baker in the commissary department where the bread, the pies and the cakes with which the "gobs" are fed are turned out. Thus far he likes the life very much. He is on duty twenty-four hours at a time and then off for thirty-six hours. He celebrated his eighteenth birthday last May.

At the monthly supper and prayer meeting of teachers in the Sunday School of the Tropico Presbyterian Church which was enjoyed Wednesday evening, the main talk was made by Mrs. Harvey Harris of the Immanuel Presbyterian Sunday School, Los Angeles. Contests to increase Sunday School attendance was her theme and she described a very successful one carried out by the Sunday School with which she is connected.

The Women's Foreign Missionary Society of the First Methodist Church held a meeting at the church Thursday afternoon at which the attendance was very large. The study book of the year, "The Crusade of Compassion for the Healing of the Nation," by Dr. J. Bell Allen, was reviewed very interestingly by Mrs. Warner and Mrs. B. S. Giger also gave a report in regard to the book. Mrs. T. J. Meagher sang a solo beautifully. The delegates to the convention to be held at Hollywood gave splendid talks.

PATRONS OF THE SCHOOL COME OUT IN LARGE NUMBERS AND SHOW ENTHUSIASM

"Hip! Hip! Hoo-ra for The Broadway P.-T. A." was the way in which the teachers of the Broadway School expressed their appreciation at the close of a most delightful luncheon served them by the ladies of the Executive Board of the Broadway Parent-Teachers' Association yesterday noon at the school building.

Yesterday was the regular monthly meeting of the Association and when the session convened a large percentage of the 130 members were on hand to lend their presence as well as assistance in making the second meeting of the school year a decided success.

Prof. Harry L. Howe was the speaker of the afternoon and his explanation of the plans and course of study as outlined by the proposed Y. M. C. A. that will shortly be launched in Glendale was most enthusiastically received by all present.

One of the plans formulated by the Association to create interest in the attendance at these meetings and the work of the Parent-Teachers is the giving of a reward to the grade having the largest representation of parents at the meetings and yesterday the sixth grade carried off the honors.

Among the vistors present was Mrs. Barton, president of the Federation, who expressed herself as being well pleased with the ardent support displayed by the members of the Broadway Association.

LIBRARY APPOINTEE

MRS. KEMPER CAMPBELL SUCCEEDS TO PLACE ON BOARD RESIGNED BY MRS. BULLIS

At the last meeting of the Board of City Trustees the vacancy in the Library Board caused by the resignation of Mrs. Wesley Bullis was filled by the appointment of Mrs. Kemper Campbell, of this city, to act in her stead. The appointment is approved by all who know the rare capabilities Mrs. Campbell will bring to the office and the fact that she has long been a resident of this city and is acutely alive to its interests will be an additional guarantee of efficient service on her part.

Mrs. Campbell was born in Stephenson county, Illinois, and was graduated from Berian Springs College, Michigan, previous to coming to California with her parents, Mr. and Mrs. D. J. Hibben, who reside at 123 East Laurel street. After coming to this city she took a course in the Los Angeles Normal School and following her graduation taught for four years in the Cerritos Avenue School of what was then Tropico, but is now a part of Glendale. During those four years she also carried on a course in law at the night school of the Law Department of the University of Southern California. Kemper Campbell was one of her instructors and following her graduation she accepted a position in his law office, surrendering it to accept an appointment as Deputy District Attorney under District Attorney Woolwine. This office she retained until about fourteen months ago when she decided to devote her time and energies to her own home. She now declares that keeping her home and looking after her little son beats professional life all hollow. She and Mr. Campbell were married three years ago in October.

She is fond of good fiction and solid reading and has a wide acquaintance with authors. Because of this change in her life she will take a special interest in the library from the viewpoint of the home.

BIG DISAPPOINTMENT

(Continued from Page One)

Seated upon the platform were three lady residents of Glendale in whose veins flows Belgian blood, viz., Mrs. J. W. Lawson of 1001 Melrose street, whose mother and father were born in Brussells; Mrs. Peter C. Moes of 128 South Maryland who was born at Onoz Spy, Belgium, and brought up in that country; Mrs. E. E. McQuivy of 451 Ivy street, whose father, John Francois Hillen, was born in Brussells where his mother owned a large factory.

Soon after eleven o'clock Professor Hugo Kirchoffer appeared and after conferring with Mr. Pilcher, led the school children and the whole crowd so far as it would respond in the singing of "America," "Battle Hymn of the Republic," "Long, Long Trail," "Swanee River," "Keep the Home Fires Burning" and other of the selected songs on the slips distributed to the crowd. Not less than five thousand people had lined up on Broadway east and west of Louise, and all along Brand boulevard between Broadway and Los Feliz Road other crowds were assembled. It can safely be said that ten to twelve thousand men, women and children waited to give greeting to King Albert and Queen Elizabeth. Patiently they waited until half-past twelve when word began to circulate through the crowd that the royal party had gone another way. It was not until after one o'clock that the people dispersed to their homes. The speech which the King would have heard had he been permitted to greet Glendale officials was an exceedingly short one. It would have been made by Frank Muhleman, chairman of the Board of Trustees and would have read as follows:

To your Majesties, the King and Queen of Belgium:

It is with unfeigned pleasure that the people of Glendale meet and greet you. It is an occasion that our people will long remember as it gives us an opportunity of seeing personages of whom we have read and heard so much. The unassuming and democratic manner of the heroic King of Belgium peculiarly appeals to us Americans; the devotion of your Majesties to your people has endeared you to all American hearts. Long may you live to lead a happy people forward in the pursuits of peace, and may the blessings of a kind Providence be your portion throughout life. The best wishes of our people will ever attend you.

The Norwalk Call tells of land around there selling for $750 to $1,000 per acre, which the old-timers think isn't worth near that much. Without disparaging the opinions of the old settlers there, we have noticed that it is often the new comers who don't know any better, who wade in and pay higher prices for land and make it worth more than it ever was before, and build up a community while the old-timers are sitting around saying it can't be done and never was wuth it nohow.

W. H. Hoskins of Anaheim was the guest for a few days of his daughter, Mrs. E. E. Harwood, of Cypress avenue the early part of the week.

TRUSTEES' MEETING

(Continued from Page 1)

Francisco. Referred to the city attorney.

Demands were presented and referred to the Finance Committee.

On motion of Trustee Jackson it was ordered that bids to furnish the city with automobiles be opened at this time. Only one bid was on file being that of Campbell & Sutherland offering to furnish the city with two 1920 model Maxwell five-passenger automobiles for Two Thousand Two Hundred Seventy Dollars and Fifty Cents ($2,270.50). On motion of Trustee Shaw it was ordered that the bid be rejected and the clerk instructed to re-advertise for bids to be opened at 8 o'clock p. m., October 30, 1919.

The city manager presented to the Board his bond furnished by the American Surety Company of New York in the sum of $1000.00. On motion of Trustee Shaw bond was approved.

A deed executed by the city treasurer of the City of Glendale conveying Lot A, in Tract 927, was presented to the Board. On motion it was referred to the City Attorney.

City Manager presented to the Board, policy of insurance on fire house No. 1, in the amount of $3,000, for a term of three years in the Northwestern National Insurance Company, which was approved and ordered to be filed. City Manager also presented to the Board a lease covering two-inch pipe line on the Pacific Electric's line near Dryden street, which was on motion of Trustee Shaw approved and ordered to be signed by the proper city officials.

Following demands were reported back by the Finance Committee approved and on motion of Trustee Shaw warrants ordered to be issued in payment thereof:

Trustee Shaw presented an Ordinance read at the last meeting of the Board and moved its adoption, same being adopted on roll call, all voting aye, as Ordinance No. 361.

"An Ordinance of the Board of Trustees of the City of Glendale, calling a special election to be held in said city on the 12th day of November, 1919, and submitting to the qualified voters of said city the proposition of incurring an indebtedness in the sum of $260,000.00 for the acquisition, construction and completion of certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of the City of Glendale; providing for the issuance of bonds therefor, subdividing the city into election precincts, designating the polling places and appointing election officers for said election."

Trustee Shaw presented the following Resolution and moved its adoption, same being adopted on roll call, all voting aye.

"WHEREAS, The car service of the Pacific Electric Railway into and out of the City of Glendale has for a long time been disorganized and deficient and the citizens of this city, realizing the difficulties under which said Railway Company was laboring in maintainng its service, have waited patiently for the resumption of normal service; and whereas a sufficient time has elapsed, in the opinion of this Board and the citizens of the City of Glendale, for such resumption of normal service, and said company has in response to a communication from the city manager, promised to restore normal service by October 15, 1919, which date has passed, but the service still remains very unsatisfactory, now therefore, be it

RESOLVED, That this Board hereby strongly protests against the slowness, irregularity and inadequacy of the service of the Pacific Electric Railway Company to the City of Glendale whereby thousands of our citizens are daily delayed and seriously inconvenienced, and demands of said company that it proceed without further delay to render an adequate and satisfactory service to and from this city; and that if said company fails to do so, this Board will take whatever steps are within its power to encourage other means of transportation and the city clerk is hereby directed to forward a copy of this Resolution to said Pacific Electric Railway Company.

On motion of Trustee Woodberry, city manager was authorized to attend the session of the convention of the California municipalities to be held at Riverside, at the expense of the city. Also that the auditor of the Public Service Department be authorized to attend same on Tuesday and Wednesday, and that the Health Officer be in attendance for two days.

An application for a permit to conduct an automobile business in the City of Glendale (Jitney Service) was presented by Mike Sarason and on motion of Trustee Jackson permit was granted subject to the approval of the city marshal.

Trustee Shaw presented an Ordinance amending Section 8 of Ordinance No. 356 and on motion same was ordered to be laid over until the next regular meeting.

SERVICE MEN MEET

(Continued from Page 1)

successor together with all activities for which plans are being made. This will include the dance planned for the latter part of October at the Masonic Temple to raise funds for the post.

Balloting for temporary officers resulted in the election of Dru Nicoles as temporary chairman, Richardson D. White as temporary secretary, Robert Plume as temporary treasurer. A committee was appointed to co-operate with the officers in bringing about the organization of a post of the American Legion. The committee consisted of Dr. William C. Mabry, J. A. Wilson, C. G. Gould, Carlton West, John Dunn and Ray Krug. These men with the officers will constitute the temporary executive committee to effect the reorganization. It was decided to proceed with this work as rapidly as possible and a telegram has been sent to the state headquarters at Sacramento requesting proper forms and instructions. A local meeting was set for next week when it is hoped the blanks and information will have been received.

It was a great satisfaction to the promoters of the new organization to see so many of the younger men who served in the ranks come out and show an interest in the movement.

An optional lease has been secured of the room in which the meeting was held and it will in all probability be made the permanent headquarters of the new post. With so central a location the organization should prosper.

COUNTRY FAIR

(Continued from Page 1)

ly contrived patchwork quilt made, if you please, by the well-known Glendale Elk—Jimmie Horne. It was not for sale but was the basis of a voting contest as to the number of pieces it contains. Prizes will be given for the best guesses. The lucky number, if a lady, will get perfume and if a gentleman a box of cigars.

J. G. Monahan, true to character as the proprietor of the "Hickville Emporium," had an excellent country store stock and some special attractions which drew trade.

The candy booth is triumphant in brown and white, harmonizing with its stock of 340 pounds of home-made chocolates. A very pretty effect is produced by a frieze of palm berries. Miss Wendell, Misses Ruprecht, Miss Clarice Ryan and Mrs. Clark here made things easy for customers.

Mrs. C. E. Norton is presiding with her usual pronounced success over the goose game and converting her limber-necked goose into the sort that lays golden eggs.

At the red, white and blue ice cream booth Mrs. Barlet, Mrs. Dotson and Mrs. Farrell were not worrying about catching trade. It came to them; likewise to the hot dog booth across the way where Mrs. Streit was seen.

Miss Viola Yorba was the chief entertainer last night. The same service will be performed tonight, which is Elks' night, by Mrs. June Stone, the Los Angeles professional. Saturday night an opportunity will be given to see Miss Margaret Brown, daughter of Mr. and Mrs. A. H. Brown, of 1737 Gardena, in beautiful fancy dancing.

And speaking of dancing reminds one of the pretty ball room hung and festooned with Hallowe'en decorations of yellow and black, with shaded lights to make it more dreamy, and jazz music to keep everybody awake. There was spot light dancing and a wheel of chance was here, too. The program included some exhibition ballroom dancing by Mrs. F. Salmacia and James Reynolds.

Before the dancing and after the dancing and all the time between there was a little waiting crowd around the booth of the fortune teller, a true seeress who brought good news and convinced all of its verity by her look of mystery enhanced by a very beautiful gown. Her name, of course, was not divulged.

COMMUNITY SING

(Continued from Page 1)

which is dangerous in its tendencies and which can only be resisted by the community, the state and the nation standing shoulder to shoulder

As usual the Sing opened with "America" and closed with "Star Spangled Banner" followed by three rousing cheers for Glendale. Drill was taken in the "Boola Song," "Jesus Lover of My Soul," "Way Down Upon the Swanee River," "Rocked in the Cradle of the Deep," and several national songs, war songs and familiar lyrics which would be sung at the reception of the King and Queen of Belgium in Glendale this morning. The soloist of the evening was Cecilia May Fisher, a beautiful little girl from Burbank, and a pupil of Mrs. Pearl Keller Brattain. She danced most charmingly an aesthetic waltz entitled "Hawaiian Dream," and received quite an ovation of applause.

LA CRESCENTA

Mrs. E. G. Foy spent Tuesday with friends in Los Angeles.

Mr. Talmadge of Sycamore was off duty last week on account of illness.

Mr. Culberson, sales manager of the Los Angeles Investment Company, has purchased a home site from Mrs. Eaton at the corner of Michigan and Rosemont, and will immediately erect a beautiful home.

Mrs. Moberly of the Sparr Ranch, who has been quite ill, is much improved.

Friends of Miss Clara Jones will be sorry to hear of the death of her mother, Mrs. J. P. Jones, last Monday.

The library schedule for the winter will go into effect Saturday, October 25th. The hours will be from seven until nine, Wednesday and Saturday evenings.

Mrs. Horace Carpenter is expecting her sister from the east on a short visit.
